**Please lend your support. Thank you.**

Simply by completing your name, home address and postcode and ticking the box entitled **Gift Aid**, the Parkinson's Disease Society (PDS) can reclaim the tax that you pay on your donations. This will effectively increase the value of your gift for our work by over a quarter and it costs you no extra (UK taxpayers only).

**NB:** You must be a UK taxpayer and expect to pay at least as much income tax and/or capital gains tax this year as the PDS will reclaim on your donation. If future circumstances change and you no longer pay tax on your income and/or capital gains equal to the tax that the PDS reclaims, you can cancel the declaration. If you pay tax at the higher rate, you can claim further tax relief in your self-assessment tax return. If you are unsure whether your donations qualify for Gift Aid tax relief, please contact your local tax office for leaflet IR113 'Gift Aid' for further information. Please notify us if you change your name or address.

**By ticking the box entitled 'Gift Aid' you confirm that:**

I wish the Parkinson's Disease Society to treat all donations that I have made during the previous six years and all future donations as Gift Aid donations, until I notify you otherwise.
